Fun Run—Pledging is OPEN!!

As of now, our Fun Run with Boosterthon is officially open for registration and pledging!

Anyone who remembers the blast we had last year, will appreciate the high energy Pep Rally and daily activities that our team has planned for this year as well.

Our goal for this year is a whopping \$15,000 but we know our kids can do it. This money will get us even closer to our ultimate goal of having

Chrome Books for each student to use in the classroom on a one on one basis.

Register online at funrun.com and your child will earn a prize just for participating with us!!!

The PTO Officers are available if you have any questions. Just reach out via email or our Facebook group listed below.

Thank you to everyone who stopped by the PTO table at Open House. If you haven't already, please consider signing up to help out with future events. PTO meetings will be held monthly but we will always need extra volunteers and it would be great to have your info on file. Sign up using the link below.
