Sean Lynam, Assistant Principal

Dear Parents,

It is an honor to introduce myself as the new principal of Camden Intermediate School.

The 2020-2021 school year will mark my 29<sup>th</sup> year in education. I have worked with students ranging in age from Kindergarten through 8<sup>th</sup> grade in a variety of roles. I hold various licenses in North Carolina to help me meet the needs of all students (K-6 teacher; K-12 Principal; AIG Specialist, Curriculum Specialist, and Superintendent.) Although I have always felt at home in the classroom, it is in my administrative role where I have been most fulfilled in my life's work. I am thrilled to bring my skills as an educational leader to Camden Intermediate School and to work with you as a partner in education to ensure your child's success.

With my goal of continuing the Camden County tradition of excellence, I am committed to exploring new ways to meet the needs of all students and to more effectively communicate with parents and community members. I believe wholeheartedly that every student deserves a quality education and that only happens when the school and the families work together for the best interests of our children. With that in mind, I will call on our faculty, staff, and parents to work together so we can best serve our children.

I am truly honored to be given this opportunity and look forward to immersing myself completely in our school and in our community. As the former Assistant Principal of Grandy Primary School, I look forward to reconnecting with all of you whose children attended Grandy Primary School and meeting all of you who are new to the Camden County School District. Please do not hesitate to contact me with questions, concerns or ideas you would like to share.

To our students, I hope that you are excited for this coming school year and that you are out this summer playing and reading tons of books with your family and friends. It is going to be a fun year learning together. If you are near the school at all this summer, please stop by and say hello!

In closing, please know that my door is always open to you. I welcome your conversation and positive input throughout this year. Let us always keep our students the primary focus of our work. I look forward to celebrating our collective successes during the 2021-2022 school year.

Enjoy the remaining days of summer!

Lisa A. Byrum
