

CIS Weather and Remote Learning Notice

As we get ready for the anticipated snow in Camden, I wanted to provide you with some information and hopefully answer any questions you may have at this time.

Friday

Due to impending inclement weather, Camden County Schools will be closed for students on Friday, January 21st. It will not be a remote learning day so you should not expect to hear from teachers. Students are **NOT** required to complete any work. Please enjoy your time with your family and hopefully some time in the snow.

IF WE ARE OUT NEXT WEEK

All of our teachers have sent home “Remote Learning Packets” that cover three remote learning days (Monday, Tuesday, and Wednesday.) **Please do not work ahead in your packets.** Simply follow the instructions that are provided by the teacher. You can always read, practice multiplication and division, and write a story about what you and your family did while we were out. If we continue to work remotely past Wednesday, work can be found on DOJO and Google classroom.

Teacher Access

On remote days, our teachers will be available via email and DOJO between 9:00 a.m. and 3:00 p.m. Please allow them time to respond. If the teacher happens to be home sick they will notify you via-DOJO message.

IF YOU DO NOT HAVE A PACKET

If your child has not received a packet, they will be available in the front of school. You can also access this work in your child’s Google classroom and DOJO.
