

## **Welcome to the 2022-2023 School Year!**

It is a tremendous honor and privilege to serve as the principal of Camden Intermediate School. This year we will embark on many adventures together. I am so excited to be able to travel on this educational journey with such a dedicated staff, amazing students, committed parents, and an outstanding community.

At CIS, we will continue to carry on the Camden County tradition of excellence. I am committed to every student. I believe each student deserves a quality education in a safe and secure environment. We at CIS are dedicated to providing the necessary support for all students to be successful now and in the future.

I am eager to continue to work with you as a partner in your child's education. In order to support each student, the faculty and staff look forward to building a collaborative relationship with you. Working together and establishing this strong relationship with your child's teachers will allow your child to continue on the path to success.

My door is always open if you have any concerns, questions, or ideas you may have regarding your child's education. I look forward to celebrating our collective successes during the 2022-2023 school year.

Adventures await the CIS students and staff and we are traveling first class!
